Dedication

Mr. C. B. Traup who has helped in many ways, not only the students but also the faculty of T. H. S. Besides being one of the best Science teachers ever to teach in the Trinidad School system, he is a very dear friend to each and everyone. This is the reason we, the 1959 Annual Staff, take pride in dedicating to him the 1959 TROJAN.

your friend
W.F. Story

Superintendent's Message

There are always many nice things that can be said about, and to, the Annual Staff for the wanderful wark they do on the Trinidad School's Yearbaak. This staff has dane the same magnificent job in producing this fine Annual. To you individually, and as a group, we all thank you.

Ta the students it is important, I wauld say, that if we are going to derive the greatest benefits from aur educatian we must seasan it adequately and well with realism. Set your goals high. Always move upward laoking and expecting better things.

The very faundations of human freedom and individual rights are being attacked by many. It is very important that we hold sacred ta the things that hove made us free, and America great.

My prayer is that each of yau will always da his best. When you have dane this, God will see you through any situatian.

William F. Story
William F. Story

Our Principal's Message

To the Student Body;

My congratulatians ta yau far completing another schaal year. It seems that every year brings new and more pleasant experiences. As always, I am looking forward ta the year just ahead. I know that you are also.

We are nat saying good-by ta yau seniors because always we will be asking about yau and yaur accamplishments. Our best to you wherever you go.

Ta the whale student-body, I offer my thanks far yaur kindness and consideratian during the year. This has made my jab more pleasant.

Sincerely,
H.S. Kirksey

Trojan Write-Up

THORNTON	14
TRINIDAD	0

The Trojans opened the '58 season at home against the Thornton Tigers. The Trojon defense held good against the powerful Tigers but the offense could never get moving. All the points were scored in the first half of play.

OAKWOOD	6
TRINIDAD	6

The next week found the Trojans still at home against the Oakwood Panthers. The Panthers had no better luck in getting started than did the Trojans and the game ended in a 6 - 6 tie. The only tie by a Trojan six-man team.

MT. CALM	36
TRINIDAD	8

The Trojans first venture from home was a sad affair. The Trojans never could get moving and the Panthers made it rough for them. After two losses, one tie and no wins, coach said things would get rough if we didn't pick up.

VENUS	6
TRINIDAD	12

The pick up started at home against the Venus Bulldogs. The offense was better and the defense was great. The fact that Venus thought they would win the game easily helped the Trojan cause.

PENELOPE	0
TRINIDAD	64

The next week was homecoming and the Trojan's kept things rolling by defeating the Penelope Wolverines. Before the game "Miss Trojan" was crowned by the co-captains, Keith Johnston and Tommy Stanfield.

NORTH ZULCH	26
TRINIDAD	32

The next week found the Trojans still at home against the undefeated North Zulch team. The Trojans quickly killed their record by scoring 32 points in the first half.

MT. CALM	32
TRINIDAD	22

The Mt. Calm Panthers came to Trinidad and the Trojans were determined to even the score. The game see-sawed back and forth but the Panther superior manpower won over the lighter Trojans.

VENUS	59
TRINIDAD	0

The next week found the Trojans on the road to Venus. The Bulldogs were after the Trojans' hide after the defeat pined on them at Trinidad. They did a pretty good job of it with a great deal of help from the Trojans themselves.

PENELOPE	6
TRINIDAD	81

The Trojans got back on the right trail the next week against Penelope. While they evened their record for the year the Trojans used everyone on the bench and looked like the team of two weeks before.

JEWETT-MARQUEY	34
TRINIDAD	14

The Trojans closed the '58 season with a defeat at the hands of the Jewett-Morquey Coagars. This was a non-district game to fill in for Palmer which dropped out of the district. The '58 season was not as successful as the boys and coach had hoped but then very few are. On the bright side returning from this team that finished second in district there will be nine lettermen and five starters. The team lost only one man through graduation.

We are looking forward to a great season next year. And we hope that the next season will be as successful and maybe more than the previous one.
